## Charges and School Contributions 2024

Dear Parents and Caregivers

The Education Act 1999 requires schools to notify parents of all contributions and charges prior to the start of the school year. These costs are divided into four areas: **School Contributions, Charges, Personal Items List and Extra Cost Options.**

- **School Contributions:** A voluntary school contribution goes towards the cost of items used in the educational program provided for your child.
- **Charges:** for extra cost optional items. An estimate of the costs of these items is listed for non-compulsory activities. Payment for these items is a condition of participation by students.
- **Personal Items List:** Items on this list are required for students use in their classroom.
- **Extra Cost Options:** These options are available to students if families wish to participate.

1. The Honeywood Primary School Board has endorsed an amount of \$60.00 per student as a **School Contribution for 2024**. This equates to approximately \$1.50 per week. These contributions are voluntary. They enhance the teaching and learning opportunities for all students and supplement funding gained from other sources, including the State and Federal governments. At Honeywood Primary School, the **School Contributions** will be used to purchase supplementary materials and resources used in classrooms as detailed on the following page.

### 2. Personal Items List

The cost for items on this list will vary from year level to year level. It includes items such as pens, pencils and scrapbooks. Parents may purchase these items from their chosen retailer or use the nominated school supplier **Campion Education**.

You can also pay your **School Contribution** of \$60 per student for 2024 through **Campion Education** when you order your child's Personal Items List. This contribution can also be paid on COMPASS at any time.

### 3. Charges: Curriculum Related Activities

This amount can vary from year to year and from class to class. A breakdown of estimated **charges** for your child's participation in excursions/in-school activities and swimming lessons etc. for 2024 has been outlined in the schedule attached. The amounts indicated on the schedule represent the maximum that can be charged for scheduled activities in 2024. **Students can only participate if they have parental permission and have paid the charge.** This money will be used to fund the following types of activities: *visiting performers, excursions, interschool sports carnivals, swimming lessons and other special events.*

**The activity charge can be paid in advance at the beginning of the year and any excursions/in school performances that your child attends will be deducted from this amount. Any money left in your child's account at the end of the year, will be carried forward into the following year.**

#### **4. Voluntary Approved Requests**

This money is used by the school to provide additional opportunities for all students.

##### **Yr 3-6 Bring Your Own Device iPad**

Please refer to the separate letter explaining the family funded Year 3 to Year 6 iPad program. An approximate cost is in the schedule attached.

##### **iPad Co Contribution (K – Yr. 2) \$50**

The Australian Curriculum expects that students learn to use ICT effectively and appropriately to access, create and communicate information and ideas, solve problems and work collaboratively in all learning areas at school.

A \$50 co-contribution for PP-Year 2 and \$25 co-contribution for Kindergarten will help us establish and maintain high ratios of access to technology for students.

##### **Student Well Being Support K-6 \$30**

This allows us to provide social and emotional support and resources for students such as our Chaplain, Therapy Dogs, Sensory Garden and Well-being activities.

#### **Payment of School Contributions and Charges**

Payments can be paid by:

- COMPASS Payments online - preferred
